## Millarville School

Sheep Creek/ Millarville School District No. 4258

Teaching Years: 1951 to present

Location: NE 3-21-03 W5

Marker Date: June 30, 2011

This school is one of the few historic schools within the MD of Foothills still providing schooling and enjoys the laughter of children in the playground every school day. Although the school looks much different today than in 1951, it remains an important community hub for the Hamlet of Millarville and surrounding area.

Sheep Creek School was originally located west of Millarville. In 1951 the school was moved to its present site and renamed Millarville School. 2011 marks the 60th anniversary of the Millarville School. It is the site of one of the first markers for the MD's School marker program.
