OFF HIGHWAY VEHICLES

Foothills Patrol Division

Off-Highway Vehicles

Off-Highway Vehicle (OHV) describes any motorized mode of transportation built for cross-country travel on land, water, snow, ice, marsh, swamp land or on other natural terrain....and includes:

- 4-wheel drive vehicles
- Low pressure tire vehicles
- Motor cycles and related 2-wheel vehicles
- Amphibious machines
- All-terrain vehicles
- Miniature motor vehicles
- Snow vehicles,
- Minibikes
- Any other means of transportation that is propelled by any power other than muscular power or wind.

Show Respect

- Be aware of the noise generated by this activity and ensure that you are not causing a nuisance or interfering with your neighbour's ability to enjoy their property in peace.

Ride Within the Law

- Within the MD of Foothills, OHV's may only operate on private property with the consent of the landowner or on Crown Lands.
- All municipal bylaws must be adhered to, including no excessive noise

MD OF FOOTHILLS BYLAWS

No person shall operate an Off-Highway Vehicle on:

- unapproved tracks,
- municipal road allowances,
- ditches,
- environmental reserves,
- municipal reserves,
- public reserves,
- gravel pits, and
- any other public property.

No person shall in either day-time or the night-time:

- make, continue, cause or allow to be made or continued any excessive, unnecessary, or unusual noise of any type,
- operate a vehicle, including an Off-Highway Vehicle, if the exhaust muffler is cut out, disconnected or has had the baffle plate or other part removed,
- permit an Off-Highway Vehicle located on premises to emit noise that disturbs or annoys a person.
