

MOUNTIE MOMENTS

FOOTHILLS COUNTY POLICING

RCMP TURNER VALLEY DETACHMENT

What's up in the neighborhood?

On February 5, 2023 an impaired driver was taken off the road. The driver provided a breath sample and a fail was registered. This was a first offence. The driver received a \$1000 fine, 90 day suspension of their operators license followed by a 12-monthly participation in the Alberta Ignition Interlock Program, and a 30 day vehicle seizure.

On February 7, 2023 another impaired driver was taken off the road. The driver refused to provide a breath sample. This was a first offence. The driver received a \$1000 fine, 90 day suspension of their operators license followed by a 12-monthly participation in the Alberta Ignition Interlock Program, and a 30 day vehicle seizure.

There was a break and enter in the eastern portion of the Foothills County. The property owners were on holiday at the time of the theft.

Two more frauds occurred this past week. The fraudsters phoned and presented themselves as being from a bank or government office. The victims then purchased gift cards and supplied the numbers over the phone to the fraudsters for supposed transactions that had to be paid for. Please remember that the CRA, banks, Canada Post or any such organization never take payment via online gift cards.
