

RE: Request For Quotation (RFQ) Foothills Cemetery HydroVac Services

REQUEST FOR QUOTATION issued August 10, 2023

1.0 Questions from Proponents

1.1 What is the term of the agreement?

The anticipated term is 3 years, however the Foothills Cemetery Board will have the final decision on the term.

1.2 Are there any extension years available after the initial term?

The contract opportunity will be posted upon the expiry or termination of the agreement.

1.3 Are rates firm for the duration of the agreement?

The rates for the term of the agreement reflect the "Schedule of Rates for HydroVac Services" provided in the proponent's Submission Package. Any changes to the agreement including the Schedule of Rates require both parties to enter into an amending agreement.

1.4 Is this RFQ evaluation price based only?

Refer to the Conditions Section of the Submission Package.

1.5 Are there exceptions to posted weight restrictions on roads to access the cemetery?

No, there are no exceptions. Weight restrictions on access routes and working roads must be adhered to at all times.

2.0 Additional Document

2.1 Addendum 2 will provide updated "Schedule of Rates for HydroVac Services" templates for submission through APC and on the Foothills County Website. The new templates will allow for specific rates for the Traditional Section and the Highlands Section of the Cemetery.
