Encl. – Development Authority Decision

DEVELOPMENT PERMIT DECISION

DATE OF DECISION: Wednesday, August 20, 2025

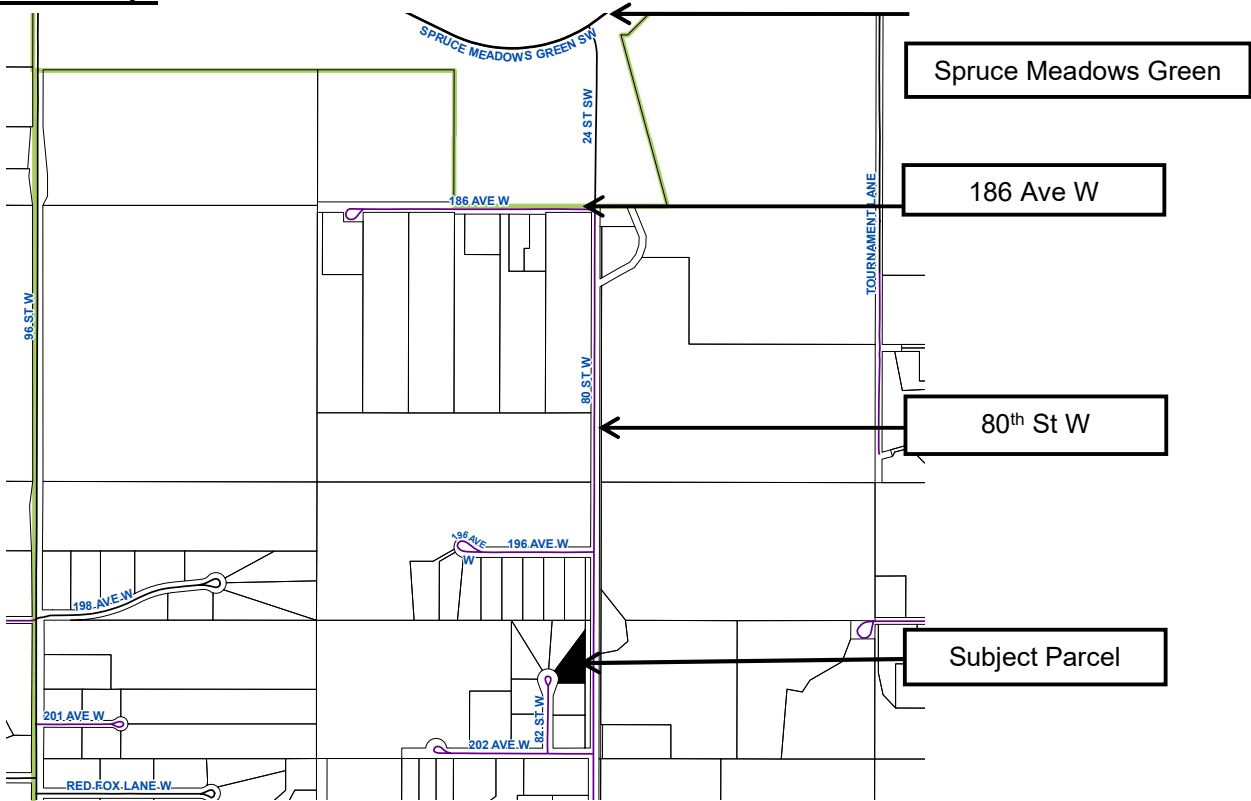

THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

APPLICATION FILE NUMBER: 25D 166
LANDOWNER/APPLICANT(S): AARON MACLEOD
PROPOSAL DESCRIPTION: RELAXATION OF SETBACKS FOR EXISTING STRUCTURES
LEGAL DESCRIPTION: NE 18-22-01 W5M PLAN 761 0641, BLOCK 1, LOT 6

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 2.02 acre Country Residential District parcel, located approximately 1.6 km west of the current municipal boundary for the City of Calgary, 1.5 km south of Spruce Meadows Trail, is just west of 80 ST W, and is accessed from 82 St W.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for the Development Permit has been submitted to allow for a relaxation of setbacks for existing structures on the subject parcel. The submitted Real Property Report shows that the location of the Dwelling with Attached Garage, and 2 sheds, do not comply with the required minimum setback distances as outlined within the County Residential District of Land Use Bylaw 60/2024.

The following will require relaxation of setback approval:

- The ‘Dwelling with Attached Garage’ is identified on the submitted Real Property Report to be located 8.98 m from the west property line at its nearest point, when it is required to be setback 15 m. Therefore, the applicant is seeking a 6.025 m or 40.13% relaxation of setbacks for this structure.
- The +/- 240 sq. ft Shed located on the west side of the property has been identified by the landowner to be located 1.5 m from the west property line at its nearest point, when it is required to be setback 15 m. Therefore, the applicant is seeking a 13.5 m or 90% relaxation of setbacks for this structure.
- The +/- 216 sq. ft. Shed located on the east side of the property has been identified by the landowner to be located 1.5 m from the property line, when it is required to be setback 15 m. It is located on a sloped area of the yard sitting on concrete pads with pressure-treated blocking and the landowner has stated that these are the reasons that it cannot be relocated to meet setbacks. Therefore, the applicant is seeking a 13.5 m or 90% relaxation of setbacks for this structure.

Section 5.6.2 of the Land Use Bylaw60/2014 provides the Development Authority with the ability to consider a 90% variance for the required setbacks, with respect to the existing structures on the subject County Residential District parcel.

Relaxation of Setbacks is for the existing structures is a Permitted Use with a Variance under the Country Residential Land Use District; therefore, the decision on this application for Development Permit for a Variance is to this the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of relaxation of setbacks for existing structures on the subject parcel being Ptn: NE 18-22-01 W5M; Plan 7610641, Block 1, Lot 6; has been considered by the Development Officer and is **APPROVED** subject to the following.

REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM

**Appeal fees are set in the County’s Fee Bylaw, which is generally reviewed and amended annually.*
