INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for one Sea-Can to remain on the subject parcel for personal use storage. The submitted site plan shows that the location of the structure is located 11.5m from the north property line, which does not comply with the Foothills County setbacks as outlined within Section 13.1.7.3 of the Land Use Bylaw 60/2014.

Sea-Cans may be considered as accessory buildings for personal storage purposed provided the exterior finish matches or compliments the exterior finish of the principal building(s) and/or the Sea-Can is generally screened from view to the satisfaction of the Development Authority.

Personal Use Sea-Cans is a Discretionary Use under the Country Residential Land Use District; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of Sea-can, Personal Use, and Relaxation of Setbacks, on the subject parcel being a portion of SW 15-20-29 W4M; Plan 0213921, Block 1, Lot 9 has been considered by the Development Officer and is **APPROVED** subject to the following.

CONDITIONS OF APPROVAL:

*The following requirements must be completed within twenty-four (24) months from the date the Development Permit is signed and issued unless a time extension is approved under agreement between the Development Authority and the Applicant(s). **Failure to complete the conditions of approval will see the Development Permit be deemed null and void.***

1. The applicant shall maintain the development in accordance with all conditions of approval and plans that have been acknowledged by the municipality to be appropriate. **Any revisions and/or additions to the use of this land shall not proceed unless appropriate approvals and permits have been obtained;**
2. The exterior of the Sea-Can must be finished in a manner that matches or complements the exterior of the principal building, to the satisfaction of the Development Authority. It is the applicant's responsibility to ensure the Sea-Can is maintained to be safe, functional and in good repair, including the preservation of the exterior finish, to ensure that the Sea-can aesthetically complements the primary structure on the subject property. Any damage must be repaired in a timely manner and the unit shall be refinished at any such time that it begins to appear unsightly from age or degradation;
3. If existing vegetation is deemed insufficient to adequately screen the Sea-Can from adjacent lands and roadways, a landscaping and/or screening plan must be submitted and implemented to the satisfaction of the Development Authority;
4. The Sea-Can shall be used for the storage of personal items only. Rental of, or use of the container in conjunction with a business, home occupation, or for any type of residential purpose – including overnight stays, has not been considered under this approval. Modifications to, attachments and/or additions to the container are not permitted;
5. Should the sea-can be removed from the subject property for greater than 60 consecutive days, the sea-can would not be permitted to return to the subject property without receiving an updated approval.

ADVISORY REQUIREMENTS:

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.

3. Natural drainage of the property must be maintained. Alteration to natural drainage may proceed only under the authorization of an approved Development Permit for Lot Grading;
4. The applicant is wholly responsible for all costs of improvements, remedial works and/or maintenance during and after development of the land, and shall maintain the property in accordance with the submitted plans and recommendations in order to ensure that adverse impacts on area lands are avoided;
5. The issuance of a Development Permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
6. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM

**Appeal fees are set in the County’s Fee Bylaw, which is generally reviewed and amended annually.*
