Encl. – Development Authority Decision

DEVELOPMENT PERMIT DECISION

DATE OF DECISION: September 3, 2025

REVISED DECISION  
From August 13, 2025

THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

APPLICATION FILE NUMBER: 25D 163  
LANDOWNER(S): GLEN YANOSIK AND HEATHER MORGAN O'NEILL SHARP  
APPLICANT(S): KENT CROUCHER OF ABSOLUTE SURVERYYS INC.  
PROPOSAL DESCRIPTION: RELAXATION OF SETBACKS FOR AN EXISTING STRUCTURE  
LEGAL DESCRIPTION: Ptn. NW 13-21-04 W5M; PLAN 9610401, LOT 1

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 6.82 acre, Country Residential District parcel, which is located approximately 7 km east of the Hamlet of Millarville, approximately 17 km northeast of the Town of Diamond Valley and is 674m to the east of and accessed from Parkins Road West.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for a relaxation of setbacks to the existing Shed (7.98 x 8.0) on the subject parcel. The submitted Real Property Report shows that the location of the existing Shed (7.98 x 8.0) does not comply with Foothills County setbacks as outlined within the Country Residential District of the Land Use Bylaw.

The shed will require a relaxation of setback approvals:

- The shed (7.98 x 8.0) is located 10.49 m. (34.42 ft.) at its closest point, from the east yard property line, when it is required to be setback 15 m. (49.21 ft.) Therefore, the applicants are seeking a 4.51 m. (14.80 ft.) 30.11% relaxation of setbacks for this accessory building from the east yard property line.

Section 5.6.2 of the Land Use Bylaw 60/2014 provides the Development Authority with the ability to provide a variance of any yard setback to a maximum of 90% with respect to existing development within the Country Residential District.

Relaxation of Setbacks for the accessory building is a Permitted Use with a Variance under the County Residential Land Use District; therefore, the decision on this application for Development Permit for a Variance is to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of a relaxation of setbacks on the subject parcel being a portion of NW 13-21-04 W5M; Plan 9610401, Lot 1, has been considered by the Development Officer and is **APPROVED** subject to the following.

**APPROVAL DESCRIPTION:**

This approval allows for a relaxation of setbacks on Ptn. NW 13-21-04 W5M; Plan 9610401, Lot 1, with respect to:

- 1. The existing shed (7.98 x 8.0), is permitted to remain located no closer than 10.49 m. (34.42 ft.) from the east yard property line, as depicted on the accepted Real Property Report, File No. 25-0317RPR, dated June 13, 2025, from Absolute Surveys Inc.

**CONDITIONS OF APPROVAL:**

*The following requirements must be completed within twenty-four (24) months from the date the Development Permit is signed and issued unless a time extension is approved under agreement between the Development Authority and the Applicant(s). **Failure to complete the conditions of approval will see the Development Permit be deemed null and void.***

- 1. The applicant shall maintain the development in accordance with all conditions of approval and plans that have been acknowledged by the municipality to be appropriate. **Any revisions and/or additions to the use of this land shall not proceed unless appropriate approvals and permits have been obtained;**
- 2. The applicants shall provide written notification to the Development Authority upon completion of the development, as approved herein;

**ADVISORY REQUIREMENTS:**

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.

- 1. Development shall comply with the applicable Building and Fire Codes at all times.
- 2. All installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw.
- 3. No portion of the accessory building shall be used for the purpose of any business- related uses, nor shall any portion be used as a secondary dwelling unit without first obtaining any necessary approvals from Foothills County.
- 4. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all the other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
- 5. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

**NOTES:**

- 1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
- 2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal, should no appeals be received, and completion of all Pre-Release Conditions (if any). Development shall proceed until this permit has been signed and issued.
- 3. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and circulated to area landowners (according to County Records at this time) adjacent to the subject parcel. Development Permit Notices can also be viewed on our website, [www.foothillscountyab.ca](http://www.foothillscountyab.ca).
- 4. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Sections 685(1) and 685(3) of the Municipal Government Act, a person affected by this decision has a right of appeal.
- 5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
- 6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
  - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
  - 1600 metres of a provincial highway
  - 450 metres of a hazardous waste management facility
  - 450 metres of the working area of an operating landfill
  - 300 metres of the disposal area of any landfill
  - 300 metres of a wastewater treatment plant
  - 300 metres of the working area of a non-hazardous waste storage site

*Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.*

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM

*\*Appeal fees are set in the County’s Fee Bylaw, which is generally reviewed and amended annually.*
