Encl. – Development Authority Decision

DEVELOPMENT AUTHORITY DECISION

DATE OF DECISION: September 10, 2025

**THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE
REFER TO THE NOTES
SECTION BELOW FOR ADDITIONAL INFORMATION.**

DEVELOPMENT PERMIT APPLICATION FILE NUMBER: 25D 200

LANDOWNER(S): DUANE AICHELE

PROPOSAL DESCRIPTION: RELAXATION OF SETBACKS FOR EXISTING STRUCTURES

LEGAL DESCRIPTION: PTN: NW 34-19-01 W5M; PLAN 0812913, BLOCK 2, LOT 4

LOCATION: The subject property is a 4.01-acre Country Residential parcel located on the east side of 43 St W, approximately 230 metres south of 434 Ave W at its closest point.

INTENT OF APPLICATION:

The applicants have submitted a Development Permit application, requesting a relaxation of setbacks to three accessory buildings on the subject property. The locations of the accessory buildings do not meet Foothills County Setback requirements of 15 metres to the north property line. The applicants are requesting the following relaxations

- Structure #1 (10ft x 16ft) as labelled on the site plan is located 1.8 m (6.00 ft.) from the north property line, when it is required to be setback 15.0 m (49.21 ft.). Therefore, the applicant is seeking a 13.21 m or 88% relaxation.
- Structure #2 (10ft x 10ft) as labelled on the site plan is located 13.15 m (43.14 ft.) from the north property line, when it is required to be setback 15.0 m (49.21 ft.). Therefore, the applicant is seeking a 1.85 m or 12.3% relaxation.
- Structure #3 (20ft x 10 ft) as labelled on the site plan is located 11.1 m (36.42 ft.) from the north property line, when it is required to be setback 15.0 m (49.21 ft.). Therefore, the applicant is seeking a 3.9 m or 26% relaxation.

Section 5.6.2 of the Land Use Bylaw 60/2014 identifies that on Country Residential properties; it is within the discretion of the Development officer to allow for a maximum 90% variance for required setbacks with respect to existing development.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County with respect to the relaxation of setbacks for existing structures on Ptn. NW 34-19-01 W5M; Plan 0812913, Block 2, Lot 4 has been considered by the Development Officer and is **APPROVED** subject to the following:

APPROVAL DESCRIPTION:

This approval allows for the development and use of PTN. NW 34-19-01 W5M; Plan 0812913, Block 2, Lot 4 for a Relaxation of Setbacks for three accessory buildings located as per the submitted and accepted development application and site plan.

CONDITIONS OF APPROVAL:

Please note that the following requirements must be completed within the twenty-four (24) month completion period for this Development Permit unless a time extension is issued under agreement between the Development Authority and the Applicant(s). Failure to complete the conditions of approval will see the Development Permit be deemed null and void.

1. The applicant shall maintain the development in accordance with all conditions of approval and the application for development permit that has been acknowledged by the municipality to be appropriate. **Any revisions and/or additions to use of this land shall not proceed except under benefit of appropriate approvals and permits;**
2. As the number of accessory buildings exhausts the number allowed on a Country Residential Parcel of 4.01 acres, no further buildings are permitted to be placed on the parcel without applying for and obtaining the necessary approvals through the County, this includes any structure with three walls and a roof and those structures placed on temporary foundations.

ADVISORY REQUIREMENTS:

The following advisory requirements are provided by Foothills County as a courtesy to the applicant(s) and property owner(s). These comments will not form the basis of the decision to approve the development permit application. They are simply provided for information purposes.

1. The accessory buildings shall not exceed a maximum height, from grade to peak, of 10.67 meters (35 ft.) which is the maximum permitted within the Country Residential Land Use district;
2. All structures on this parcel are to be used for personal use only and shall not be used in association with any business, or for the purpose of storing business related materials, without first obtaining all necessary approvals from the Foothills County;
3. No portion of the accessory buildings shall be used as a secondary dwelling unit without first obtaining all necessary approvals from the Foothills County;
4. Future development must meet the County’s Minimum Setback Requirements or apply for and be granted a relaxation of setbacks.
5. Development on the property shall at all times comply with the requirements of the Building, Plumbing, Electrical, Safety, and Fire Codes;
6. Natural drainage of the property must be maintained. Alteration to natural drainage may only proceed only under the authorization of an approved Development Permit for Lot Grading permit, or as acknowledged within the required Site Drainage and/or Lot Grading Plan;
7. All installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;
8. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
9. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development cannot proceed until this permit has been signed and issued.
3. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and circulated to landowners (according to County Records at this time) adjacent to the subject parcel. Development Permit Notices can also be viewed on our website, www.foothillscountyab.ca.
4. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Section 685(2) of the Municipal Government Act, a person affected by this decision has a right of appeal.
5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM

**Appeal fees are set in the County’s Fee Bylaw, which is generally reviewed and amended annually.*
