PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

DEVELOPMENT APPLICATION FILE NUMBER: 25D 223
LANDOWNER(S) / APPLICANT(S): CALVIN & KAILA HARAPNUK / CALVIN HARAPNUK
PROPOSAL DESCRIPTION: TWO SEA-CANS – PERSONAL USE
LEGAL DESCRIPTION: PTN. SE 03-22-29 W4M; PLAN 1112304, BLOCK 8, LOT 10

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 6.57 acre Country Residential District parcel, located on the northeast corner of the intersection at Dunbow Road and 44th Street east.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for two existing Sea-Cans to remain on the subject parcel, for personal use.

The application identifies that each Sea-Can is 40 feet long by 8 feet wide and that they will be painted to match the colour of the house which is currently under construction.

Sea-cans may be considered as accessory buildings to be used for personal storage purposes provided the exterior finish matches or compliments the exterior finish of the principal building(s) and is generally screened from view to the satisfaction of the Development Authority.

On a property of this size, the current Land Use Bylaw 60/2014 allows for a maximum of four (4) accessory buildings with a total cumulative size not to exceed 3,500 sq. ft. (325.2 sq. m.) in area without a Development Permit.

Sea-Cans are a Discretionary Use under the Country Residential Land Use District; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of two Sea-Cans on the subject parcel being a portion of SE 03-22-29 W4M; Plan 1112304, Block 8, Lot 10 has been considered by the Development Officer and is **APPROVED** subject to the following:

APPROVAL DESCRIPTION:

This approval allows for two Sea-Cans for personal use storage to remain on the subject parcel as identified on the submitted site plan and as per the conditions and requirements provided for herein.

CONDITIONS OF APPROVAL:

- The following requirements must be completed within twenty-four (24) months from the date the Development Permit is signed and issued unless a time extension is approved under agreement between the Development Authority and the Applicant(s). Failure to complete the conditions of approval will see the Development Permit be deemed null and void.*
1. The applicant is required to obtain any necessary building, safety code permits and inspections applicable to use, including but not limited to anchoring and the placement on a gravel base; to the satisfaction of the County's Safety Codes Officer;
 2. A plan for paint color and the landscaping that is to provide visual screening of the Sea-Cans from neighbouring properties is to be submitted to the Development Authority for review and acceptance prior to implementation. Prior to the County accepting this development to be complete, screening shall be fully completed as per the accepted plan;

3. It is the landowner’s responsibility to provide notification to the Development Authority upon completion of the development, as approved herein.

ADVISORY REQUIREMENTS:

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.

1. The applicant shall maintain the development in accordance with all conditions of approval and plans that have been acknowledged by the municipality to be appropriate. Any revisions and/or additions to the use of this land shall not proceed unless appropriate approvals and permits have been obtained;
2. It is the applicant’s responsibility to ensure the Sea-Cans are maintained to be safe, functional and in good repair, including the preservation of the exterior finish, to ensure that the Sea-Can aesthetically complements the primary structure on the subject property. Any damage must be repaired in a timely manner and the unit shall be refinished at any such time that it begins to appear unsightly from age or degradation;
3. Landscaping shall be maintained in order to support visual screening from adjacent lands and roadways. Should vegetation on the subject property be removed or reduced in a way that no longer conceals the Sea-Cans from adjacent lands, the landowners must replace with similar or greater material(s) in order to ensure that the same or greater visual screening of the Sea-cans is maintained;
4. The Sea-Cans shall be used for the storage of personal items only. Rental of, or use of the containers in conjunction with a business, home occupation, or for any type of residential purpose – including overnight stays, has not been considered under this approval. Any such additional use(s) will require approval under appropriate independent municipal application(s). Modifications to, or attachments/additions to the containers is not permitted;
5. Should a/the Sea-Cans be removed from the subject property for greater than 60 consecutive days, they would not be permitted to return to the subject property without receiving an updated approval;
6. Development shall comply with the applicable Building, Safety and Fire Codes at all times.
7. Any new installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;
8. Natural drainage of the property must be maintained. Alteration to natural drainage may proceed only under the authorization of an approved Development Permit for Lot Grading;
9. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
10. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit.

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development must not proceed until this permit has been signed and issued.
3. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Section 685(2) of the Municipal Government Act, a person affected by this decision has a right of appeal.
4. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and circulated to area landowners (according to County Records at this time) within the subject quarter-section and for one-half mile surrounding the subject parcel. Development Permit Notices also can be viewed on our website, www.foothillscountyab.ca.
5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM
