APPLICATION FILE NUMBER: 25D 236
LANDOWNER(S): ERICH GLASL
PROPOSAL DESCRIPTION: PROPOSED OVERSIZED ACCESSORY BUILDING WITH A RELAXATION OF SETBACKS
LEGAL DESCRIPTION: PLAN 9312546, LOT 4; PTN. NW 2-20-3 W5M

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 1.95 acre Country Residential District parcel, located adjacent to and south of 424 Ave W, 30 m south of Highway 546, 23 m north of the Sheep River, and 1.9 km west of the Town of Okotoks.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for the construction of an Oversized Accessory Building +/- 958 sq. ft. (89 sq. m.) with a Relaxation of Setbacks on the subject parcel for personal use.

On a property of this size, the current Land Use Bylaw 60/2014 allows for a maximum of three (3) accessory buildings with a cumulative sized not to exceed 950 sq. ft. (88.26 sq. m.) accessory to the residence. In addition, permanent dwellings are permitted up to two private garages (attached or detached) up to a maximum of 1,200 sq. ft. (111.48 sq. m.).

The structure also requires a relaxation of setback approval. The Accessory Building is proposed to be located 11.25m (36.9 sq. ft.) at its closest point from the north property line, when it is required to be setback 15 m. Therefore, the applicant is seeking a 3.75 m or 25% relaxation of setbacks.

Section 5.6.4 and 5.6.5 of the Land Use Bylaw 60/2014 identifies that it is within the discretion of the Development Authority to approve relaxations to a maximum of 25% on proposed structures, provided that the applicant can provide rationale as to why the proposed location is the most appropriate location for the proposed structure.

Oversized Accessory Building with a Relaxation of Setbacks is a Discretionary Use under the Country Residential Land Use District; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of Proposed Oversized Accessory Building (+/- 958 sq. ft.) with a Relaxation of Setbacks, on the subject parcel being a portion of Plan 9312546, Lot 4; NW 2-20-3 W5M has been considered by the Development Officer and is **APPROVED** subject to the following.

REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
