DEVELOPMENT PERMIT DECISION

DATE OF DECISION: October 8th, 2025

THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

DEVELOPMENT APPLICATION FILE NUMBER: 25D 261
LANDOWNER(S): ANGHAD DASS AND SHAKUNTLA PRAKASH
PROPOSAL DESCRIPTION: RELAXATION OF SETBACKS TO EXISTING STRUCTURE
LEGAL DESCRIPTION: PLAN 0810804, BLOCK 3, LOT 7, PTN. SE 23-21-29-W4M

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 4.45 acre Country Residential District parcel, located directly east of Ridgeview Way East and directly west of Ridgeview Drive East, approximately 0.5 kilometres west of 64th Street East and 1.5 kilometres south of Highway 552.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for a relaxation of setbacks to the existing Garage (0.30 Eaves No Siding) on the subject parcel. The submitted Real Property Report shows that the location of the existing Garage (0.30 Eaves No Siding) does not comply with Foothills County setbacks as outlined within the Country Residential District of the Land Use Bylaw.

The following will require relaxation of setback approvals:

- The Garage (0.30 Eaves No Siding) is located 8.58 m. (28.15 ft.), at its closest point, from the north, side yard property line, when it is required to be setback 15 m. (49.21ft.) from the property line. Therefore, the applicants are seeking a 6.42 m. (21.06 ft.) or 42.80 % relaxation of setbacks for this structure.

Section 5.6.2 of the Land Use Bylaw 60/2014 provides the Development Authority with the ability to provide a variance of any yard setback to a maximum of 90% with respect to existing development within the Country Residential District.

Relaxation of Setbacks are a Discretionary Use under the Country Residential Land Use District; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of a relaxation of setbacks on the subject parcel being the NW 22-22-03-W5M has been considered by the Development Officer and is **APPROVED** subject to the following:

APPROVAL DESCRIPTION:

This approval allows for the development and use of NW 22-22-03-W5M, with respect to:

1. Relaxation of setbacks to the existing Garage (0.30 Eaves No Siding), whereby it is permitted to be located no closer than 8.58 m. (28.15 ft.) as depicted on the accepted Real Property Report, File No. 253484, dated August 27th, 2025, from Arc Surveys Ltd.

All other existing and future development must meet the County setback requirements.

- 3. No portion of the accessory building shall be used for the purpose of any business-related uses, nor shall any portion be used as a secondary dwelling unit without first obtaining any necessary approvals from Foothills County.
- 4. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
- 5. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

- 2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development cannot proceed until this permit has been signed and issued.
- 3. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and posted on our website, www.foothillscountyab.ca.
- 4. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Section 685(2) of the Municipal Government Act, a person affected by this decision has a right of appeal.

REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM
