

PROPOSED AMENDMENTS TO FEE BYLAW 21/2025

The Municipal Government Act allows Council to pass bylaws regarding services provided by the municipality, which includes establishing the fees charged for providing those services. Foothills County has consolidated the fees charged for providing goods and services into a Fee Bylaw, which is generally reviewed and amended annually.

The County's current fees, rates and charges are found in Fee Bylaw Schedules A to O as contained in Bylaw 21/2025.

Staff have reviewed Fee Bylaw Schedules A to O and are proposing a number of amendments. On October 29th, 2025, Council granted 1st reading to Bylaw 67/2025 to authorize these proposed amendments. The proposed amendments are summarized below and are also shown in red on the attached Fee Bylaw Schedules.

Prior to further consideration of these proposed amendments, Council will hold a Public Meeting on the matter, which will be held at 1:30 P.M. on Wednesday December 10th, 2025.
