## DEVELOPMENT PERMIT DECISION

DATE OF DECISION: December 17, 2025

**THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.**

**APPLICATION FILE NUMBER:** 25D 284

**LANDOWNER(S):** Chad George Glavine

**AGENT:** Jan-Paul Patawaran – Integrity Post Structures

**PROPOSAL DESCRIPTION:** Oversized Accessory Building & Relaxation of Setbacks for Existing Structure

**LEGAL DESCRIPTION:** SE 28-21-28 W4; Plan 0714671 Blk 3 Lot 11 (the "subject parcel")

**CERTIFICATE OF TITLE PARCEL AREA:** 2.99 Acres

**LAND USE DISTRICT:** Country Residential (CR) District

### LOCATION OF SUBJECT PARCEL:

The subject parcel is located on 272 Ave E, approximately 800 metres northeast of Highway 552, and approximately 6 kilometres southwest of the intersection of the Bow River and the Highwood River.

### INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for the construction of a +/- 2561 sq. ft. (+/- 237.9 sq. m.) personal use Oversized Accessory Building with a Relaxation of Setbacks to another existing structure on the subject parcel. The proposed Oversized Accessory Building meets the setback requirements identified within Land Use Bylaw 60/2014.

On properties 2.0–2.99 acres in size, the current Land Use Bylaw 60/2014 allows for a maximum of three (3) accessory buildings with a cumulative size not to exceed 1,675 sq. ft. (155.6 sq. m.) In addition, permanent dwellings are permitted up to two garages (attached or detached up to a maximum of 1,200 sq. ft. (111.48 sq. m). Including the proposed Oversized Accessory Building, there would be a total of three (3) accessory buildings with a total cumulative size of 2981 sq. ft. (276.9 sq. m.).

Further, an existing accessory building on the property requires a relaxation of setbacks. The existing accessory building is located 11.56 m from the south property line along 272 Avenue E, where the setback requirement is 15 m. Therefore, the applicant is seeking a 3.44 m or 23% relaxation of setbacks for this structure.

Section 5.6.2 of the Land Use Bylaw 60/2014 provides the Development Authority with the ability to consider a 90% variance for the required setbacks, with respect to the existing structures on the subject Country Residential District parcel.

Oversized Accessory Building & Relaxation of Setbacks for an Existing Structure is a Discretionary Use under the Country Residential Land Use District; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of an Oversized Accessory Building & Relaxation of Setbacks for an Existing Structure, on the subject parcel has been considered by the Development Officer and is **APPROVED** subject to the following.

### **APPROVAL DESCRIPTION:**

This approval allows for the development and use of the subject parcel for an Oversized Accessory Building & Relaxation of Setbacks for an Existing Structure in accordance with the submitted and accepted Development Permit application.

### **CONDITIONS OF APPROVAL:**

*The following requirements must be completed within twenty-four (24) months from the date the Development Permit is signed and issued unless a time extension is approved under agreement between the Development Authority and the Applicant(s). Failure to complete the conditions of approval will see the Development Permit be deemed null and void.*

1. The applicant shall maintain the development in accordance with all conditions of approval and plans that have been acknowledged by the municipality to be appropriate. **Any revisions and/or additions to the use of this land shall not proceed unless appropriate approvals and permits have been obtained;**
2. Providing variance for an Oversized Accessory Building exhausts the area of accessory buildings on a property of this size. As such, no further accessory buildings are permitted on the parcel without first obtaining any necessary approvals through Foothills County. This includes personal use buildings with roof, tents, shelters, lean-tos, sheds and/or buildings with temporary foundations;
3. All structures on this property are for personal use only and shall not be used in association with any business, or for the purpose of storing business related materials within, nor are they permitted to be used as a secondary residence, unless appropriate approvals are first obtained from Foothills County;
4. The applicant shall obtain any necessary building and safety code permits and inspections to the discretion of the Safety Codes Officer;
5. The applicant shall provide written notification to the Development Authority upon completion of the development, as approved herein.

### **ADVISORY REQUIREMENTS:**

*The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.*

1. Development of the property shall at all times comply with the requirements of the Building, Plumbing, Electrical, Safety, and Fire Codes;
2. Natural drainage of the property must be maintained. Alteration to natural drainage may only proceed under the authorization of an approved Development Permit for Lot Grading permit, or as acknowledged within the required Site Drainage and/or Lot Grading Plan;
3. The proposed accessory building shall not exceed a maximum height, from grade to peak, of 10.67 metres (35 ft.) which is the maximum permitted within the Country Residential Land Use district;
4. All installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;
5. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
6. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

### **NOTES:**

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period or submission of the executed appeal notification period waiver; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development can not proceed until this permit has been signed and issued.
3. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and circulated to area landowners (according to County Records at this time) within the subject quarter-section and for one-half mile surrounding the subject parcel. Development Permit Notices can also be viewed on our website, [www.foothillscountyab.ca](http://www.foothillscountyab.ca).
4. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Sections 685(1) and 685(3) of the Municipal Government Act, a person affected by this decision has a right of appeal.
5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
  - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
  - 1600 metres of a provincial highway
  - 450 metres of a hazardous waste management facility
  - 450 metres of the working area of an operating landfill
  - 300 metres of the disposal area of any landfill
  - 300 metres of a wastewater treatment plant
  - 300 metres of the working area of a non-hazardous waste storage site

*Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.*

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM

*\*Appeal fees are set in the County’s Fee Bylaw, which is generally reviewed and amended annually.*
