Encl. – Development Authority Decision

DEVELOPMENT PERMIT DECISION

DATE OF DECISION: March 4, 2026

THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

DEVELOPMENT APPLICATION FILE NUMBER: 24D 244

LANDOWNER(S): ABE SIDORSKY & SIMON HUNT

APPLICANT(S): W. SCOTT THOMPSON & SHAUN ALI OF 1ST PRINCIPLES PLANNING

PROPOSAL DESCRIPTION: RELAXATION OF SETBACKS TO EXISTING STRUCTURE(S)

LEGAL DESCRIPTION: PTN. NE 13-22-2 W5M; PLAN 2512300, BLOCK 3, LOT 3

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 8.32 acre Country Residential District parcel, located on 198 Ave N, directly east of Lloyd Lake, 160 m west of 96 St W and 1 km north of 210 Ave W.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for the relaxation of setbacks to an existing structure on the subject parcel. A recent Real Property Report identifies that the location of the *Dwelling* does not comply with the minimum setback distance as outlined within the Country Residential District of the current Land Use Bylaw.

The existing *Dwelling* is located 11.09 m. from the south property line, at its nearest point, when it is required to be setback 15 m. Therefore, the applicants are seeking a 3.91 m or 26.1% relaxation of setbacks for this structure from the south property line.

Section 5.6.2 of the Land Use Bylaw 60/2014 identifies that on Country Residential properties, it is within the discretion of the Development Officer to allow a 90% variance for the required setbacks, with respect to existing structures.

Relaxation of Setbacks is a Discretionary Use under the Country Residential Land Use District; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of relaxation of setbacks to existing structure, on the subject parcel being a portion of NE 13-22-2 W5M; Plan 2512300, Block 3, Lot 3 has been considered by the Development Officer and is **APPROVED** subject to the following.

APPROVAL DESCRIPTION:

The existing *Dwelling* is permitted to remain, as depicted on the Real Property Report *File No. FHC_SD_004* dated April 28, 2024, from 1st Principles Planning. All other existing and future development must meet the County setback requirements.

ADVISORY REQUIREMENTS:

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.

1. Development shall comply with the applicable Building and Fire Codes at all times. The applicants are required to obtain all necessary building, plumbing, gas, septic, and electrical permits and inspections applicable to use and occupancy as a single family dwelling;
2. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
3. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;
4. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;
5. No topsoil shall be removed from the subject property and natural drainage of the property must be maintained. Alterations to natural drainage may proceed only under the authorization of an issued Development Permit for Lot Grading;
6. All installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development can not proceed until this permit has been signed and issued.
3. Notification of this Development Permit Decision will be advertised in two issues of the Western Development Permit Notices can also be viewed on our website, www.foothillscountyab.ca.
4. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Section 685(2) of the Municipal Government Act, a person affected by this decision has a right of appeal.
5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

TURN OVER AND COMPLETE REVERSE SIDE

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta's "Green Area"
- 'adjacent' to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
