To the Foothills County Council

We understand that Dan and Susie Killam have a redesignation application so their daughter can build a home. Additionally, a redesignation application to create a driveway to reach that future home. Our property is just east of this. We are in support of both applications and look forward to having the Killam's daughter and her family in the community.

To whom it may concern,

Please be advised I DO NOT agree with this proposed Designation with a 2.56 acre subdivision and road extension.

I would agree to a minimum of 4 acre subdivision and further information on road.

Thank You,  
Cal Hanson

My name is Tony Di Stefano **and along with my partners** own the property to the north of John Callister's and Dan and Susie Killam's land. We understand there is a redesignation application to put in a driveway that would run beside our property, and behind that, a subdivision application that would allow that driveway to lead to a house that Dan and Susie's daughter is hoping to be building.

I write in support of both applications and look forward to having new neighbours. They are good people and we look forward to having them in the community.

Sincerely,

Tony Di Stefano

Dear Foothills County Council,

My name is Diana Froc, I own property to the north of John Callister's and Dan and Susie Killam's land. I understand there is a redesignation application to add a driveway into the subdivision application that would allow that driveway to lead to a house that Dan and Susie's daughter could build a home.

I write in support of both applications and look forward to having new neighbours. They are good people and we look forward to having them in the community.

Sincerely,

A large black rectangular redaction box covering the signature of Diana Froc.
