APPLICATION FILE NUMBER: 25D350

LANDOWNER(S): Grozone Greenhouse Ltd.

PROPOSAL DESCRIPTION: Renewal of Two Dwellings, Temporary for Farm Help

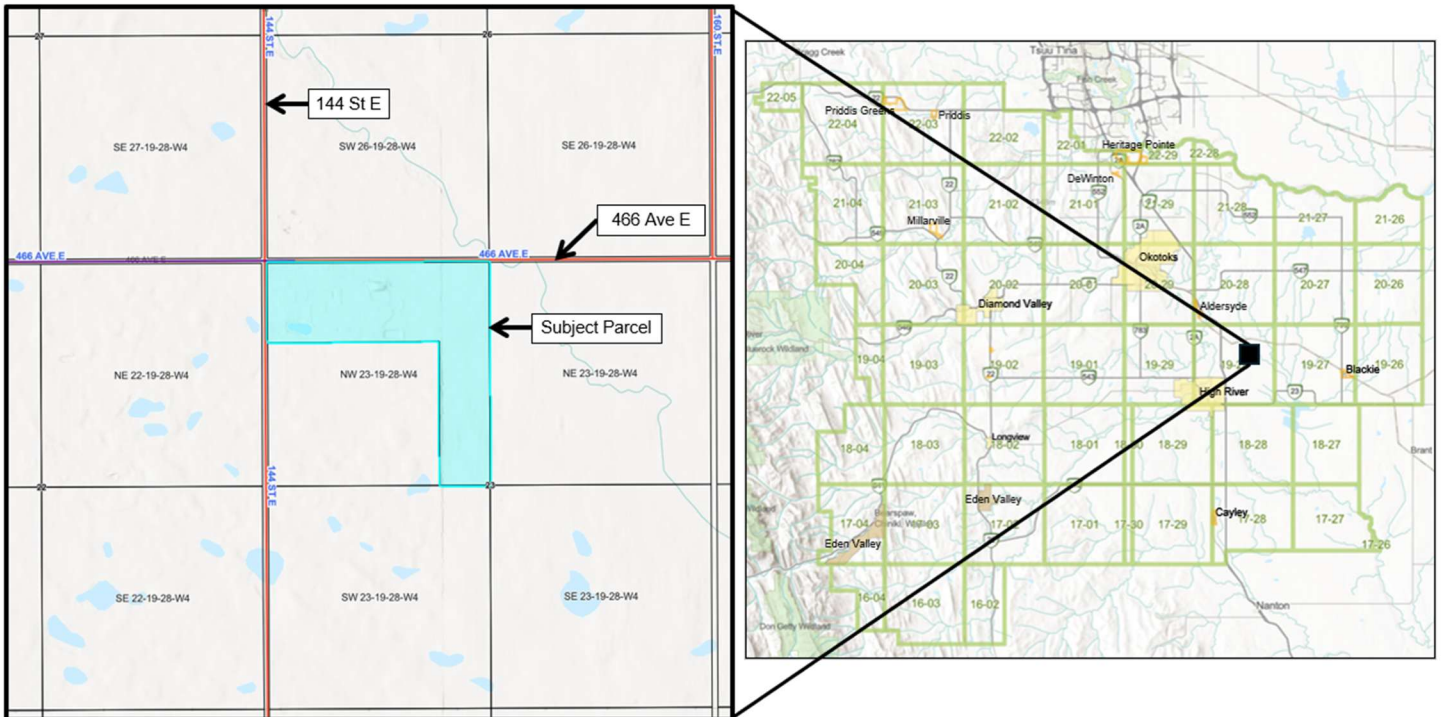

LEGAL DESCRIPTION: Ptn. NW 23-19-28 W4M; (the "subject parcel")

PARCEL AREA: 79.99 Acres

LAND USE DISTRICT: Agricultural (A) District

LOCATION OF SUBJECT PARCEL:

The subject parcel is located immediately southeast of the intersection of 144 Street E and 466 Avenue E, approximately 1.6 km east of Alder Heights, and approximately 4.5 km northeast of the Town of High River.

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for the Renewal of Two Dwellings, Temporary for Farm Help that were previously renewed under Development Permits 19D130 and 19D180.

Dwelling, Temporary is a Discretionary Use within the Agricultural District and as such, the application is to be reviewed and considered by the Development Authority. Section 10.10.28 of the Land Use Bylaw identifies that a development permit for a Dwelling, Temporary, not placed on a permanent foundation, may be issued when it is used for farm help, and issued for a 36-month period. Decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of a Renewal of Two Dwellings, Temporary for Farm Help, on the subject parcel has been considered by the Development Officer and is **APPROVED** subject to the following.

APPROVAL DESCRIPTION:

This approval allows for the development and use of the subject parcel for a Renewal of Two Dwellings, Temporary for Farm Help in accordance with the submitted and accepted Development Permit application, for a period of 36 months from the date the Development Permit is signed and issued.

CONDITIONS OF APPROVAL:

The following requirements must be completed within thirty-six (36) months from the date the Development Permit is signed and issued unless a time extension is approved under agreement between the Development Authority and the Applicant(s). Failure to complete the conditions of approval will see the Development Permit be deemed null and void.

1. The applicant shall maintain the development in accordance with all conditions of approval and plans that have been acknowledged by the municipality to be appropriate. Any revisions and/or additions to the use of this land shall not proceed unless appropriate approvals and permits have been obtained;
2. The Two Dwellings, Temporary are approved for a period of 36 months only, from the date the Development Permit is signed and issued. The Dwellings are to be used solely as a residence for Farm Help.

ADVISORY REQUIREMENTS:

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.

1. **The applicant is advised that, as per Section 10.10 of the Land Use Bylaw 60/2014, the maximum term for renewals on Development Permits for Dwelling, Temporary shall not exceed six (6) years. As such, any future applications submitted for the subject Dwelling, Temporary shall be considered as a new application;**
2. All development shall be located as to adhere to Municipal setback requirements from the boundaries of the legally titled property. No variance for yard setbacks has been considered under this approval;
3. Development of the property shall at all times comply with the requirements of the Building, Plumbing, Electrical, Safety, and Fire Codes;
4. The applicant(s) are advised that this approval does not allow for the replacement of the Dwelling, Temporary. Should replacement of the Dwelling, Temporary be required for any reason, issuance of a new development permit would be necessary prior to placement of a new Dwelling, Temporary and would be subject to and considered under the policies within the Land Use Bylaw at the time of application;
5. This approval does not permit the Dwellings, Temporary to be placed on permanent foundations, nor will they be permitted any permanent attachments (i.e. enclosed porch, additions, attached deck or attached garage);
6. Emergency address signage shall be installed and maintained. The installation of any farm identification signage, or directional signage shall occur only under appropriate permit/authorization from Foothills County, and as identified within the Land Use Bylaw;
7. Should the Dwellings, Temporary no longer be utilized for the approved use as a residence for Farm Help, then the Dwellings, Temporary must be immediately removed from the parcel. Should any future application for this use be unsuccessful, the landowners are responsible to have the Dwellings, Temporary immediately removed from the property. The County is not liable for any costs involved in the cessation or removal of the development at the expiration of the time period stated in this permit;
8. Upon expiration of this approval, should the applicant(s) and/or landowner(s) fail to apply for a new permit or if the new permit is not successful, the Dwelling, Temporary must be removed within 60 days from the subject property in its entirety.
9. The Dwelling, Temporary shall be assessed for taxation purposes;
10. All installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;
11. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
12. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period or submission of the executed appeal notification period waiver; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development cannot proceed until this permit has been signed and issued.
3. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and circulated to area landowners (according to County Records at this time) within the subject quarter-section and for one-half mile surrounding the subject parcel. Development Permit Notices can also be viewed on our website, www.foothillscountyab.ca.
4. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Sections 685(1) and 685(3) of the Municipal Government Act, a person affected by this decision has a right of appeal.
5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

REASON FOR APPEAL (attach separate page(s) if required)

All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.

TURN OVER AND COMPLETE REVERSE SIDE

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta's "Green Area"
- 'adjacent' to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
