PROPOSAL DESCRIPTION: RELAXATION OF CUMULATIVE SIZE OF ACCESSORY BUILDINGS

LEGAL DESCRIPTION: PTN. NW 21-19-28 W4M; PLAN 0915028, BLOCK 11, LOT 1

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 6.05-acre Country Residential District parcel located on 120 Street East, approximately 550 metres south of 466 Avenue East and 370 metres east of 113 Street East and Highway 2. It is located within the Woodland Estates subdivision.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for the construction of a new greenhouse and a new gazebo. The application identifies that the gazebo will be a modified old grain bin (binzebo).

On a Country Residential District property of this size (6.05 acres), the Land Use Bylaw allows for a maximum of four (4) accessory buildings with a total cumulative size not to exceed 3,500 sq. ft. accessory to the residence. The site plan identifies an existing 3,546 +/- sq. ft. shop, a proposed 260 +/- sq. ft. greenhouse and a 254 +/- sq. ft. binzebo, bringing the total cumulative size of accessory buildings to 4,060 sq. ft. (4), which is 560 sq. ft. more than what is permitted as per Table 4.2.1.7A of the Land Use Bylaw.

Oversized Accessory is a Discretionary Use within the Country Residential land use district; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of the proposed Oversized Additional Accessory Buildings on the subject parcel, being portion of NW 21-19-28 W4M; Plan 0915028, Block 11, Lot 1, has been considered by the Development Officer and is **APPROVED** subject to the following:

APPROVAL DESCRIPTION:

This approval allows for the development and use of NW 21-19-28 W4M; Plan 0915028, Block 11, Lot 1 for:

- a. The proposed greenhouse; having a total area of 260 +/- sq.ft.;
- b. The proposed binzebo; having a total area of 254 +/- sq.ft.;
- c. No additional buildings are permitted without the benefit of appropriate approvals. This includes two and three-sided structures and structures on temporary foundations;

in accordance with the submitted and accepted Development Permit application, as accepted by the County.

CONDITIONS OF APPROVAL:

The following requirements must be completed within twenty-four (24) months from the date the Development Permit is signed and issued unless a time extension is approved under agreement between the Development Authority and the Applicant(s). Failure to complete the conditions of approval will see the Development Permit be deemed null and void.

1. The applicant shall maintain the development in accordance with all conditions of approval and the application for development permit that has been acknowledged by the municipality to be appropriate. **Any revisions and/or additions to use of this land shall not proceed except under benefit of appropriate approvals and permits;**
2. The applicant is required to obtain all necessary building and safety code permits and inspections from Foothills County for the Accessory Buildings, to the discretion of the County's Safety Codes Officer. An engineer's review is required for the conversion of the grain building to a gazebo.
3. The applicant shall provide written notification and photos of the finalized buildings to the Development Authority upon completion of the development, as approved herein;

ADVISORY REQUIREMENTS:

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.

1. Development and use of the land shall comply with all requirements of the applicable Building, Safety, and Fire Codes at all times;
2. The applicants are responsible to ensure that road bans issued for municipal road surfaces are adhered to at all times. Permits for any overweight loads (whether during construction, or for hauling water) must first be obtained from Roadata (1-888-444-9288);
3. All structures shall be located as to adhere to Municipal setback requirements from the boundaries of the legally titled property unless under the authorization of an approved Development Permit for the Relaxation of Setbacks. No variance for setbacks has been approved by this permit;
4. Any new installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;
5. All storage on the property shall be in compliance with the requirements of the Land Use Bylaw and the Community Standards Bylaw;
6. The applicant is responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;
7. The applicant agrees to indemnify and hold harmless Foothills County from any and all third party claims, demands, or actions for which the applicant is legally responsible, including those arising out of negligence or willful acts by the applicant or the applicant's agent(s). In addition, the applicant will carry insurance to cover general liability including bodily injury and property damage to a third party;
8. The issuance of a development permit by the County does not relieve the landowner(s) of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act or encumbrance held under title to the property; which may affect use of the land.

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development cannot proceed until this permit has been signed and issued.
3. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and posted on our website, **www.foothillscountyab.ca**.
4. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Section 685(2) of the Municipal Government Act, a person affected by this decision has a right of appeal.
5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

REASON FOR APPEAL (attach separate page(s) if required)

All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.

TURN OVER AND COMPLETE REVERSE SIDE

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta's "Green Area"
- 'adjacent' to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
