Subject: Proposed site specific amendment - Ptn. NW 07-20-01-W5M-dog park

Attention: Stacey Kotlar

I received notice of the proposed site amendment as detailed above.

We are the closest neighbour to the proposed dog park of 96th street. We have lived here for 5 years and have experienced no problems with the dog park. The park is good for dog owners and no burden to the neighbours. We are used to horses cattle sheep and Dogs in our neighbourhood.

We would encourage Foothills County to approve this request as a positive addition to our neighbourhood.

Yours truly

Jim & Cathy Coleman
