The subject parcel is located northeast of the intersection of Highway 23 and 160 Street East, and approximately 4.3 km east of the Town of High River.

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for a previously lived in +/- 162.6 sq. m. (+/- 1,750 sq. ft.) dwelling with attached garage to be moved onto the subject parcel and placed on a permanent foundation to serve as the permitted Dwelling, Single Family.

Dwelling, Moved On is a Discretionary Use under the Country Residential land use district; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of a Dwelling, Moved On, on the subject parcel has been considered by the Development Officer and is **APPROVED** subject to the following.

APPROVAL DESCRIPTION:

This approval allows for the development and use of the subject parcel for a Dwelling, Moved On in accordance with the submitted and accepted Development Permit application.

PRE-RELEASE CONDITION(S):

*Pre-release condition(s) must be complied with before the Development Permit can be signed and issued. Failure to complete the pre-release condition(s) on or before **December 24, 2026** will see this development permit decision deemed null and void, unless a time extension is issued under agreement between the Development Authority and the Applicant(s).*

1. The existing dwelling shall be removed from the subject parcel in its entirety. It is the landowner's responsibility to ensure appropriate and proper disposal of any materials resulting from the demolition of the structure.
2. The applicant is to submit a refundable security deposit in the amount of \$25,000 in order to ensure compliance with the conditions of this permit; specifically, to ensure construction of the foundation and all other work required to complete the exterior of the dwelling to a high standard of appearance. This security will be refunded at such time that confirmation that the development meets the conditions of this approval are verified.

CONDITIONS OF APPROVAL:

The following requirements must be completed within twenty-four (24) months from the date the Development Permit is signed and issued unless a time extension is approved under agreement between the Development Authority and the Applicant(s). Failure to complete the conditions of approval will see the Development Permit be deemed null and void.

1. The applicant shall maintain the development in accordance with all conditions of approval and plans that have been acknowledged by the municipality to be appropriate. Any revisions and/or additions to the use of this land shall not proceed unless appropriate approvals and permits have been obtained;
2. Prior to moving the proposed Dwelling Unit onto the subject parcel, a transport permit shall be obtained from *RoaData Services Ltd.* If alterations to the existing approach to the subject parcel must be made to accommodate the move of the Dwelling Unit, approval must first be obtained from the County's Public Works department;
3. The applicant shall obtain and complete any necessary building and safety codes permits and inspections to the discretion of the Safety Codes Officer;
4. Failure to locate the Dwelling onto a permanent foundation within 60 days of its arrival onto the lot shall see this approval deemed null and void; and the structure shall be immediately removed from the subject parcel;
5. All structural and exterior renovations are to be completed within one year of the issuance of the Development Permit, failing which, the deposit for compliance will be forfeited in order to see completion of the required renovations and/or removal of the Dwelling, Moved On from the subject parcel in its entirety;
6. Prior to the County acknowledging completion of the Dwelling, Moved On development and refunding the \$25,000 deposit for compliance, the following shall be illustrated:

7. The applicant shall provide written notification to the Development Authority upon completion of the development, as approved herein.

ADVISORY REQUIREMENTS:

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.

1. All development shall be located as to adhere to Municipal setback requirements from the boundaries of the legally titled property. No variance for yard setbacks has been considered under this approval;
2. Development of the property shall at all times comply with the requirements of the Building, Plumbing, Electrical, Safety, and Fire Codes;
3. Emergency address signage shall be installed and maintained for the life of the development;
4. All installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;
5. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
6. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period or submission of the executed appeal notification period waiver; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development cannot proceed until this permit has been signed and issued.
3. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and circulated to area landowners (according to County Records at this time) within the subject quarter-section and for one-half mile surrounding the subject parcel. Development Permit Notices can also be viewed on our website, www.foothillscountyab.ca.

5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

TURN OVER AND COMPLETE REVERSE SIDE

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta's "Green Area"
- 'adjacent' to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM
