ADVISORY COMMENTS:

The following advisory comments are provided by Foothills County as a courtesy to the applicant(s) and property owner(s). They are provided for information purposes and are intended to advise the applicant(s) and landowner(s) of their responsibility and liability regarding requirements that must be adhered to.

1. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
2. Any retaining walls in excess of 1.0m in height must be designed/approved by a professional engineer;
3. Development on the property shall comply with the requirements of the applicable Building & Safety Codes at all times;
4. Emergency address signage shall be installed and maintained, to the satisfaction of the County's Emergency Services;
5. No portion of the Dwelling, Detached Garage and Accessory Buildings shall be used for the purpose of any business-related uses without first obtaining any necessary approvals from the Foothills County;
6. No topsoil shall be removed from the subject lands, and natural drainage must be maintained. When relocating or placing materials and conducting development on the land, the applicant shall ensure that measures are taken to contain those materials and mitigate effects with respect to dust, erosion, runoff, and weeds. Alteration to natural drainage may proceed as acknowledged within the accepted *Stormwater Management Plan*, or under the authorization of an approved Development Permit for Lot Grading;
7. All exterior lighting applications must adhere to the guidelines and technical specifications as outlined within the Foothills Dark Sky Bylaw, which requires outdoor lights to be fully shielded, energy-efficient, and directed downward to minimize glare, light trespass, and sky glow;
8. All structures shall adhere to Municipal setback requirements from the boundaries of the legally titled property, as illustrated within the accepted site plan. No variance for yard setbacks has been considered under this approval;
9. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit.

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** A Development Permit may be signed and issued upon completion of the 21-day appeal period; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development must not proceed until this permit has been signed and issued.
3. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Section 685(2) of the Municipal Government Act, a person affected by this decision has a right of appeal.
4. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and can also be viewed on our website, www.foothillscountyab.ca.
5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.

TURN OVER AND COMPLETE REVERSE SIDE

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta's "Green Area"
- 'adjacent' to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM
