We are writing today in regards to an application for a road closure licence that has been applied for by Mr. Donald Jackson.

We rent farm land from Mrs. Carrie Irwin ( NW 1/4-20-19-27-W4, NW 1/4-18-19-27-W4, NE 1/4-18-19-27W4), we use the road in question multiple times throughout the year during seeding, spraying, harvest, grain movement and crop checks, an estimate on the usage would be 50 + times per year. We would simply like to continue to use this road as the access from the south is quite narrow and would be difficult navigating large farm machinery through.

Thank you for your time and consideration on this matter,
