PROPOSAL DESCRIPTION: DWELLING, SINGLE FAMILY WITH ATTACHED GARAGE AND OVERSIZED ACCESSORY BUILDING ON A COUNTRY RESIDENTIAL SUB-DISTRICT 'A' LOT
LEGAL DESCRIPTION: PLAN 2211999 BLK 7 LOT 4; PTN. SW 18-22-1 W5M

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is a 4.29-acre Country Residential Sub-district 'A' parcel, located at 88075 206 Ave W, which is south of 206 Ave , approximately 300 metres east of 96 St W and 200 metres north of 210 Ave W.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for a Development Permit has been submitted to allow for the construction of a Single-Family Dwelling with an Attached Garage and an Oversized Accessory Building on the subject property.

At the time of subdivision approval for this property, the Foothills Council designated the subject property as Country Residential Sub-district 'A' to ensure that all recommendations and restrictions as noted within the Building Envelopes, High Water Table Testing, Septic Disposal Evaluations, Comprehensive Site Drainage Plans, Storm Water Management Plan and Lot Grading Plans are adhered to through issuance of a Development Permit.

On a Country Residential District property, permanent dwellings are permitted to have a maximum height of 12 metres from grade. They are also permitted private garage space (attached or detached) having a maximum size of up to 1,200 sq. ft. Accessory buildings on a lot between 3.0 and 4.99 acres in size can have a cumulative size of up to 3,075 sq. ft. This application proposes a single family dwelling with a height of 10.16 metres (33'4"), one attached garage having an area of +/- 1186.55 sq. ft. and height of 22'4" , and an Oversized accessory building having and area of 3,513.45 sq. ft. and height of 10.54 m (34'7").

As the size of the proposed accessory building will be greater than what is permitted for a property of this size, an application for a Development Permit must be considered as a Discretionary Use under the Country Residential Land Use District; therefore, decisions on applications for a Development Permit for this use are to the discretion of the Development Officer, and are subject to a 21 day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of a Single-Family Dwelling with an Attached Garage and an Oversized Accessory Building on the subject parcel being a portion of SW 18-22-1 W5M; Plan 2211999 Blk 7 Lot 4 has been considered by the Development Officer and is **APPROVED** subject to the following:

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta's "Green Area"
- 'adjacent' to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM
