KF/sp
Encl. – Development Authority Decision

THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

APPLICATION FILE NUMBER: 26D 159
LANDOWNERS/APPLICANTS: FRANK VERBEEK & BEATRIX ZWINKELS
PROPOSAL DESCRIPTION: SECONDARY SUITE, DETACHED, EXPANSION OF EXISTING SOLAR POWER SYSTEM, PRIVATE WITH A RELAXATION OF SETBACKS
LEGAL DESCRIPTION: PTN. SW 23-22-2 W5M; PLAN 0311885, BLOCK 1, LOT 1

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 6.42 acre Country Residential District parcel, located on 128 St W, is 1.64 km south of Spruce Meadows Trail, and approximately 3 km south from the City of Calgary.

Location Map:

INTENT OF APPLICATION:

The applicant has submitted a Development Permit application to allow for a new +/- 1399 sq. ft. (130 sq. m) Secondary Suite, Detached on the subject parcel. The proposed Secondary Suite, Detached is proposed to have a maximum height of +/- 25.26 ft. (+/- 7.7 m) and is shown to meet all municipal setback requirements.

Secondary Suite, Detached means a *Dwelling, Secondary Suite*, which is detached from and subordinate to, the principal dwelling located on the same parcel. A Secondary Suite, Detached may be a stand-alone suite or a suite within or attached to an accessory building or detached garage on the same parcel as the principal dwelling.

The application also proposes the expansion to an existing private, ground mounted solar power system both with a height of 4 m (+/-13.12 ft) which combined will have a total surface area of +/- 57 sq. m. (+/-613.54 sq ft) The site plan illustrates that the existing Solar Power System, Private is located 22 m from the center line of the Municipal Road when it is required to be setback 48 m and will require a Relaxation of Setbacks under the Land Use Bylaw 60/2014. The proposed expansion will be attached to the existing Solar Power System and will therefore maintain the same setback from the municipal road as the existing installation. Therefore, the applicant is seeking a 26 m or 54.17% relaxation of setbacks from the Municipal Road to the west at its nearest point.

A Secondary Suite, Detached and a Solar Power System, Private with a Relaxation of Setbacks is a Discretionary Use under the Country Residential Land Use District; therefore, decisions on applications for Development Permit for this use are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect to the proposed Secondary Suite, Detached and Solar Power System, Private, with a Relaxation of Setbacks on the subject parcel, being a portion of SW 23-22-2 W5M; Plan 0311885, Block 1, Lot 1, has been considered by the Development Officer and is **APPROVED** subject to the following:

APPROVAL DESCRIPTION:

This approval allows for the development and use of Ptn. SW 23-22-2 W5M; Plan 0311885, Block 1, Lot 1 for construction of a two-bedroom Secondary Suite, Detached having a total habitable area of +/- 1399 sq. ft. (130 sq. m) and Solar Power System with expansion having a combined surface area of +/-57 sq m. (613.54 sq ft) to be located no closer than 22 m to the Municipal Road to the west, on the subject parcel, in accordance with the submitted and accepted Development Permit application as accepted by the County.

CONDITIONS OF APPROVAL:

Please note that the following requirements must be completed within the twenty-four (24) month completion period for this Development Permit, unless a time extension is issued under an agreement between the Development Authority and the Applicant(s). 3. It is the applicant's responsibility to obtain and properly post independent County address(es) for the Secondary Suite, Detached prior to occupancy. Please contact the County's GIS Department to be assigned new address(es) and obtain information regarding address signage. *The applicants are advised that additional addressing may cause a change to the existing mailing address for the property. Please contact the County's GIS department for information in this regard;*
4. When developing the lot, natural drainage of the lands must be maintained. Alteration to natural drainage may proceed only under approval from the County;
5. The applicant shall provide written notification to the Development Authority upon completion of the development, as approved herein;

9. All installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;
10. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
11. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
