An application for Development Permit has been submitted to allow for a Temporary Billboard Sign to be placed on the subject parcel for a period of 24 months. An application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of Temporary Sign, on the subject parcel being a portion of NW 1-22-1 W5M; Plan 6576JK, Block B has been considered by the Development Officer and is **APPROVED** subject to the following.

APPROVAL DESCRIPTION:

1. Approved for the construction of a Temporary Billboard Sign to be placed on the subject parcel for a period of up to 24 months from the date of issuance of the signed Development Permit.

ADVISORY REQUIREMENTS:

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity and do not form part of the approval description or conditions of approval. It is the sole responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements. Please be advised that these requirements are not appealable to the Subdivision and Development Appeal Board.

1. The Applicant is approved to erect a sign as shown, that must conform to the dimensions and design as submitted;
2. A sign shall not be located such that it obstructs visibility at roadway intersections;
3. Signage which makes use of illumination, whether it be on the exterior or from the interior of the sign, shall adhere to the Dark Sky Bylaw;
4. A sign which is separate from a building must be located so as to comply with the front yard setback requirements applicable to the principal building unless otherwise provided, or exempted by a designated officer in writing; the sign has been considered and may be located no closer than 15m to the south property line;

Natural drainage of the parcel must be maintained. Alteration to natural drainage may proceed only under the authorization of an approved Development Permit for Lot Grading;
8. If materials are to be brought onto the property (i.e. clay, fill, soils, etc.), the applicants must ensure a road use agreement, or a waiver of such requirement, is obtained from the Municipal Public Works Department;
9. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land such as but not limited to Alberta Transportation and Economic Corridors and all Utility Right of Ways.
10. The applicants agree to indemnify and hold harmless Foothills County from any and all third party claims, demands, or actions for which the applicants are legally responsible, including those arising out of negligence or willful acts by the applicants or the applicants' agents. 11. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

NOTES:

An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period or submission of the executed appeal notification period waiver; should no appeals be received, and completion of all Pre-Release Conditions (if any). REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
