September 18, 2026

Dear Hawks Landing Residents,

Foothills County will be shutting down the irrigation system for the season on Wednesday, September 30th, 2026. We request that homeowners DO NOT open the isolation valves after this time.

The system will be blown out on Monday, October 5th, 2026.

The County is only responsible for blowing out the main lines, each homeowner is responsible for having their own lines on their property blown out for the season.

We thank you for your cooperation.
