Encl. – Development Authority Decision

DEVELOPMENT PERMIT DECISION

DATE OF DECISION: October 21, 2026

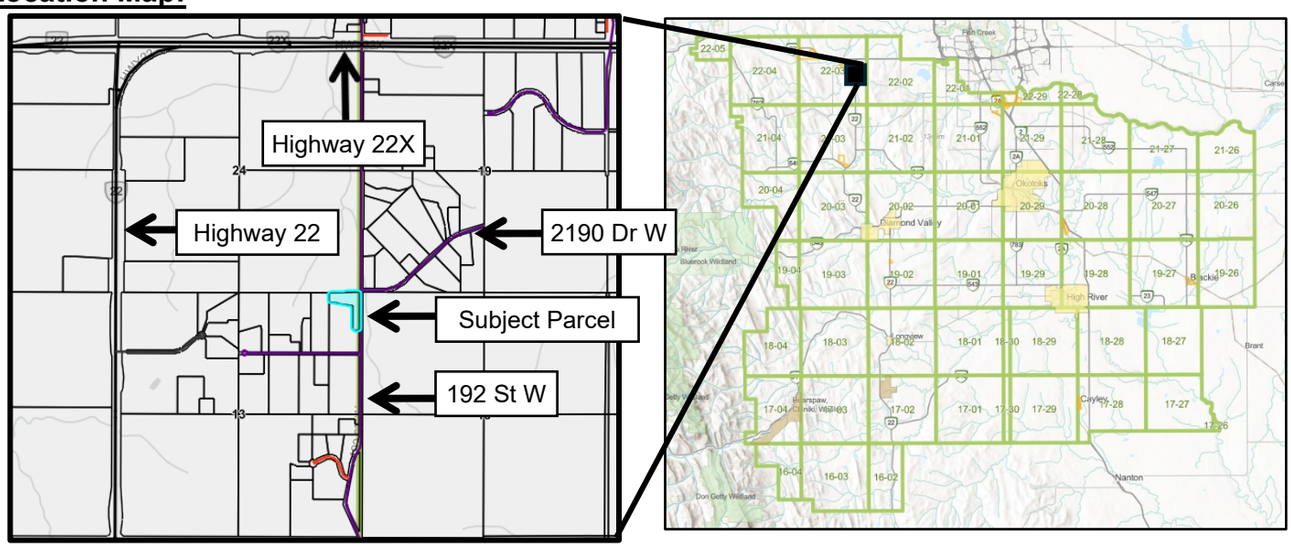

THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

APPLICATION FILE NUMBER: 26D 148
LANDOWNER(S): MIRAND SHABANAJ AND MELISSA VALLIERES
PROPOSAL DESCRIPTION: SECONDARY SUITE, PRINCIPAL, RELAXATION TO NUMBER OF ACCESSORY BUILDINGS, AND RELAXATION OF SETBACKS.
LEGAL DESCRIPTION: NE 13-22-3 W5M; PLAN 9812137, BLOCK 5, LOT 1

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is an existing 5.46 acre Country Residential District parcel, located adjacent to and west of 192 St W, 140 m north of 198 Ave W, 1.4 km east of Highway 22 and 1.6 km south of Highway 22X.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for the existing +/- 645 sq. ft. (60 sq.m.) Secondary Suite, Principal, to remain above the attached garage on the subject property.

Secondary Suite, Principal means secondary suite located within the principal dwelling unit, in an extension or addition to the principal dwelling, or above a garage attached to the principal dwelling in accordance with Section 10.26 of the Land Use Bylaw.

Additionally, the application requests a relaxation for the number of existing accessory buildings on the subject parcel. The submitted and accepted site plan illustrates that there are a total of six (6) accessory buildings, in addition to the Attached Garage and Carport, with a total cumulative size of 1,090 sq. ft. (101.29 sq. m.).

On a Country Residential property, permanent dwellings are permitted up to two private garages (attached or detached) up to a maximum cumulative size of 1,200 sq. ft. (111.48 sq. m.) without a development permit. In addition, Section 4.2.7.1 allows a property of 5.46 acres to have a total of four (4) personal use accessory buildings not to exceed 3,500 sq. ft. (325.2 sq. m.). While the development is within the cumulative size, it exceeds the maximum accessory buildings allowed under the Land Use Bylaw.

Lastly, the application also identifies that there are several Accessory Buildings that do not meet setbacks distances and require the following relaxations:

- The existing Moveable Vinyl Shed (1.69 x 2.42) is located 13.73m from the north property line at its nearest point, where it is required to be setback a minimum of 15m. Therefore, the applicant is seeking a 1.27m or 8.5% relaxation;
- The existing Animal Barn (2.43 x 4.84) is located 5.14 m from the west property line at its nearest point, where it is required to be setback a minimum of 15m. Therefore, the applicant is seeking a 9.86m or 65.7% relaxation.

Secondary Suite, Principal is a Permitted Use under the Country Residential Land Use District, however, Relaxation of Number of Accessory Buildings and Relaxation of Setbacks are Discretionary Uses; therefore, decisions on applications for Development Permit are to the discretion of the Development Officer, and subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of Secondary Suite, Principal, Relaxation of Number of Accessory Buildings, and Relaxation of Setbacks to Existing Structures, on the subject parcel being a portion of NE 13-22-3 W5M; Plan 9812137, Block 5, Lot 1 has been considered by the Development Officer and is **APPROVED** subject to the following.

APPROVAL DESCRIPTION:

This approval allows for the development and use of NE 13-22-3 W5M; Plan 9812137, Block 5, Lot 1 for:

a. Existing Secondary Suite, Principal having a total habitable area of 645.5 sq. ft, located above the garage, in accordance with the submitted and accepted Development Permit application;
b. The variance to cumulative number of accessory buildings for six (6) existing accessory buildings with a cumulative size of 1,090 sq ft (101.29 sq. m.);
c. Relaxation of Setbacks for the existing Moveable Vinyl Shed (1.69 x 2.42) to remain 13.73 m from the north property line; and
d. Relaxation of Setbacks for the existing Animal Barn (2.43 x 4.84) to remain 5.14 m from the west property line at its nearest point

In accordance with the submitted and accepted Development Permit application.

CONDITIONS OF APPROVAL:

9. No portion of the Secondary Suite, Principal, Attached Garage or Dwelling, Single Family shall be used for the purpose of any business-related uses without first obtaining any necessary approvals from the Foothills County;

10. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
11. The applicant agrees to indemnify and hold harmless Foothills County from any and all third party claims, demands, or actions for which the applicant is legally responsible, including those arising out of negligence or willful acts by the applicant or the applicant's agent(s). In addition, the applicant will carry insurance to cover general liability including bodily injury and property damage to a third party;
12. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

NOTES:

1. **This is not a Building Permit**. Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period or submission of the executed appeal notification period waiver; no appeals should be received, and completion of all Pre-Release Conditions (if any). 5. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by sections 678 to 682 of the Municipal Government Act.

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta's "Green Area"
- 'adjacent' to or contains a body of water
    - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
    - 1600 metres of a provincial highway
    - 450 metres of a hazardous waste management facility
    - 450 metres of the working area of an operating landfill
    - 300 metres of the disposal area of any landfill
    - 300 metres of a wastewater treatment plant
    - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by Sections 684 to 687 of the Municipal Government Act.

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas

THE APPEAL FEE MUST ACCOMPANY THE NOTICE OF APPEAL FORM
