Encl. – Development Authority Decision

DEVELOPMENT PERMIT DECISION

DATE OF DECISION: October 28, 2026

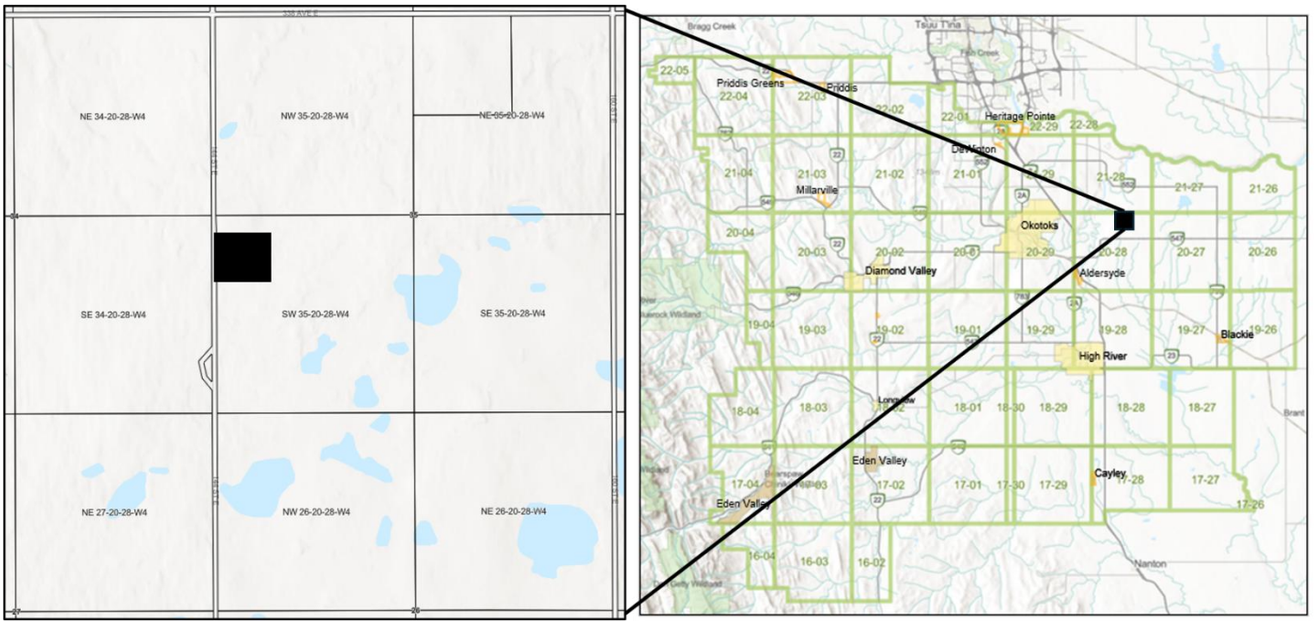

THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

DEVELOPMENT APPLICATION FILE NUMBER: 26D226
LANDOWNER(S): JESSE AND ENID ELCOMBE
PROPOSAL DESCRIPTION: SECONDARY SUITE, DETACHED IN PROPOSED ACCESSORY BUILDING, RELAXATION OF SETBACKS OF EXISTING BUILDINGS, AND VARIANCE ON CUMULATIVE ACCESSORY BUILDING SPACE
LEGAL DESCRIPTION: PTN. SW 35-20-28 W4; PLAN 9011978, BLOCK 1

LOCATION AND DESCRIPTION OF SUBJECT PARCEL:

The subject property is a 8.9-acre Country Residential District parcel, located on the east side of 144 Street East, approximately 2.1 kilometres north of Highway 547 and 3.4 kilometres east of the Highwood River.

Location Map:

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

A Development Permit application has been submitted for a ±1,152 sq. ft. detached secondary suite located on the second floor of a proposed accessory building with a height of ±9.4 m (30 ft. 10 in.) on the subject parcel. The application also seeks setback relaxations for the existing gazebo as an accessory building, as well as a variance for the cumulative size of accessory buildings. The application considers the presence of an attached and a detached garage with a combined area of 1,163 sq. ft., the removal of the Wood Shed (0.97 x 4.14m) and Garden Shed (5 x 9 ft.), and recognition of the detached Office (8.76 x 7.21 m) as non-conforming, resulting in a total of four (4) accessory buildings, including the proposed building.

Secondary Suite, Detached means a *Dwelling, Secondary Suite*, which is detached from and subordinate to, the principal dwelling located on the same parcel. A Secondary Suite, Detached may be a stand-alone suite or a suite within or attached to an accessory building or detached garage on the same parcel as the principal dwelling.

On a Country Residential District property between 5.0 and 9.99 acres in size, permanent dwellings are permitted up to four (4) accessory buildings with a cumulative size of up to 3,500 sq. ft. at a maximum height of 35 feet. Up to two garages are permitted with a cumulative size of 1,200 sq. ft. This application proposes one additional Accessory Building containing a secondary suite, with a building footprint of 2214 sq.ft. and having a height up to 30 ft. 10 inches. After accounting for the removal of the Wood Shed and Garden shed, the property would contain 4,028 sq. ft. of cumulative accessory building area, exceeding the maximum permitted 3,500 sq. ft.

Section 5.6.2 of the Land Use Bylaw 60/2024 identifies that it is within the discretion of the Development Authority to approve relaxations to a maximum of 90% on existing structures. On a Country Residential District parcel, front yard setbacks are 48 metres from the road centreline, and side yard setbacks are 15 metres from other property lines. The existing Gazebo (~400 sq. ft.) is presently at 8.27 metres from the north side property line, with the application seeking a 6.73m or 44.9% relaxation of setbacks for this structure. The gazebo is screened from adjacent properties by mature vegetation to the north and west.

Secondary Suite, Detached is a Discretionary Use within the Country Residential District. In addition, the application requests setback relaxations and a variance for the cumulative size of accessory buildings beyond what is otherwise permitted. Accordingly, the application must be considered at the discretion of the Development Officer and is subject to a 21-day appeal period.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect to the Secondary Suite, Detached, oversized cumulative accessory building space and relaxation of setbacks for an existing structure on the subject parcel, being Portion of NE 30-20-3 W5; Plan 9410301, Block 1, has been considered by the Development Officer and is **APPROVED** subject to the following:

APPROVAL DESCRIPTION:

This approval allows for the development and use of Ptn. SE 35-20-28 W4M, Plan 9011978, Block 1, for:

a. Construction of a Secondary Suite, Detached having a total habitable area of up to +/- 1,152 sq. ft., and maximum height of 30 feet 10 inches;
b. A cumulative accessory building space of 4,028 sq. ft., including the proposed accessory building contained the Secondary Suite, Detached, with the removal of the Wood Shed and Garden Shed;
c. A relaxation of setbacks of 6.73m or 44.9% to the north side property line for an existing Gazebo with continued mature vegetation screening from the north and west;

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by sections 678 to 682 of the Municipal Government Act.

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta's "Green Area"
- 'adjacent' to or contains a body of water
    - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
    - 1600 metres of a provincial highway
    - 450 metres of a hazardous waste management facility
    - 450 metres of the working area of an operating landfill
    - 300 metres of the disposal area of any landfill
    - 300 metres of a wastewater treatment plant
    - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by Sections 684 to 687 of the Municipal Government Act.

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
