Encl. – Development Authority Decision

DEVELOPMENT PERMIT DECISION

DATE OF DECISION: October 7, 2026

THIS IS NOT A DEVELOPMENT PERMIT OR BUILDING PERMIT. PLEASE REFER TO THE NOTES SECTION BELOW FOR ADDITIONAL INFORMATION.

APPLICATION FILE NUMBER: 26D252
LANDOWNER(S): Yvonne Williams
AGENT: Amaya Design - Chantelle Rodriguez
PROPOSAL DESCRIPTION: Addition to Existing Dwelling, Single Family on a CRA lot, Oversize Garage, and Relaxation of Setbacks
LEGAL DESCRIPTION: NE 21-22-3 W5; Plan 7910362 Blk 7 (the “subject parcel”)
PARCEL AREA: 7.85 Acres
LAND USE DISTRICT: Country Residential Sub-district ‘A’ (CRA) District

LOCATION OF SUBJECT PARCEL:

The subject parcel is located on the north side of 186 Avenue West, approximately 400 m west of 240 Street West, approximately 700 m south of Highway 22, and approximately 1.4 km west of the Hamlet of Priddis.

INTENT OF THE DEVELOPMENT PERMIT APPLICATION:

An application for Development Permit has been submitted to allow for the construction of and relaxation of setbacks to a +/- 261.24 sq. m. (+/- 2812 sq. ft.) addition onto the existing dwelling, along with the addition of a +/- 52.21 sq. m. (+/- 562 sq. ft.) attached garage. The submitted site plan shows that the proposed location of the addition does not comply with the setback requirements outlined within the Foothills County Land Use Bylaw.

The following will require a relaxation of setbacks:

- The proposed addition would be located 14.40 m. (47.2 ft.) from the south property line, where the setback requirement is 15.0 m. (49.2 ft.). Therefore, the applicant is seeking a 0.60 m. (1.97 ft.) or 4% relaxation of setbacks for this structure.

Section 5.6.4 of the Foothills County Land Use Bylaw 60/2014 provides the Development Authority with the ability to consider up to a 25% variance to the required setbacks for proposed structures on Country Residential Sub-district A parcels.

On a Country Residential Sub-district A parcel, permanent dwellings are permitted up to two private garages (attached or detached) up to a maximum cumulative size of 1,200 sq. ft. (111.48 sq. m.). The total cumulative space of existing and proposed garage space would be +/- 149.57 sq. m. (+/- 1610 sq. ft.) and is therefore considered a Discretionary Use and is subject to a 21-day appeal period.

At the time of subdivision approval for this property, Council designated the subject parcel as Country Residential Sub-district “A” to indicate that additional geotechnical, high water and percolation testing may be required for future development.

The application for a Development Permit in accordance with the provisions of Land Use Bylaw 60/2014 of Foothills County in respect of an Addition to Existing Dwelling, Single Family on a CRA lot, Oversize

Garage, and Relaxation of Setbacks, on the subject parcel has been considered by the Development Officer and is **APPROVED** subject to the following.

APPROVAL DESCRIPTION:

This approval allows for the development and use of the subject parcel for an Addition to Existing Dwelling, Single Family on a CRA lot, Oversize Garage, and Relaxation of Setbacks in accordance with the submitted and accepted Development Permit application, specifically:

1. Relaxation of setbacks to the proposed addition whereby it is permitted to be located no closer than 14.40 m (47.2 ft) to the property line, as depicted on the accepted site plan.

CONDITIONS OF APPROVAL:

The following requirements must be completed within twenty-four (24) months from the date the Development Permit is signed and issued unless a time extension is approved under agreement between the Development Authority and the Applicant(s). Failure to complete the conditions of approval will see the Development Permit be deemed null and void.

1. The applicant shall maintain the development in accordance with all conditions of approval and plans that have been acknowledged by the municipality to be appropriate. Any revisions and/or additions to the use of this land shall not proceed unless appropriate approvals and permits have been obtained;
2. The applicant shall obtain and complete any necessary building and safety codes permits and inspections to the discretion of the Safety Codes Officer. The applicant is advised that a geotechnical report for foundation and septic design, prepared by the appropriate professionals, may be required prior to construction of the proposed addition.
3. The applicant shall provide written notification to the Development Authority upon completion of the development, as approved herein.

ADVISORY REQUIREMENTS:

The following requirements are provided by Foothills County to inform the applicant(s) and landowner(s) of their necessity. It is the responsibility and liability of the applicant(s) and landowner(s) to ensure adherence with these requirements for the life of the development.

1. All other existing and future development shall be located as to adhere to Municipal setback requirements from the boundaries of the legally titled property;
2. Development of the property shall at all times comply with the requirements of the Building, Plumbing, Electrical, Safety, and Fire Codes;
3. No structure on the subject parcel shall be used as a secondary suite unless appropriate approvals have been obtained from Foothills County.
4. It is the applicant's responsibility to confirm the location of the existing gas line and ensure that the approved addition maintains a minimum 3.0 metre separation from the gas line, to the satisfaction of Meota Gas Co-op.
5. Emergency address signage shall be installed and maintained for the life of the development;
6. All installation(s) of exterior lighting must adhere to the guidelines and technical specifications as outlined within the Dark Sky Bylaw;
7. The issuance of a development permit by the County does not relieve the landowners of the responsibility of complying with all other relevant County bylaws and requirements, nor excuse violation of any provincial or federal regulation or act which may affect use of the land;
8. The applicants shall be responsible for payment of any professional costs including legal fees that may be incurred by the County with respect to the implementation of this permit;

NOTES:

1. **This is not a Building Permit.** Construction practices and standards of construction of any building or any structure authorized by the Development Permit, once signed and issued, must be in accordance with the Building and Safety Codes Permits. An application must be made for all required Building and/or Safety Codes Permits.
2. **This is not a Development Permit.** The Development Permit may be signed and issued upon completion of the 21-day appeal period or submission of the executed appeal notification period waiver; should no appeals be received, and completion of all Pre-Release Conditions (if any). Development cannot proceed until this permit has been signed and issued.
3. Notification of this Development Permit Decision will be advertised in two issues of the Western Wheel and circulated to area landowners (according to County Records at this time) within the subject quarter-section and for one-half mile surrounding the subject parcel. Development Permit Notices can also be viewed on our website, www.foothillscountyab.ca.
4. This Development Permit Decision is subject to a 21-day appeal period. Pursuant to Sections 685(1) and 685(3) of the Municipal Government Act, a person affected by this decision has a right of appeal.
5. The Development Permit, once signed and issued, shall thereafter be null and void if the development or use is abandoned for a period of six months.
6. The conditions of this Development Permit Decision must be met and adhered to at all times. Fines and/or Enforcement action may occur if operating outside of the Development Permit Decision.

REASON FOR APPEAL (attach separate page(s) if required)		
All appeals should contain the reasons for the appeal, including the issues in the decision or the conditions imposed in the approval that are the subject of the appeal.		

Submitting an Appeal – Subdivision Authority Decisions

Appeals of decisions on subdivision applications are covered by [sections 678 to 682 of the Municipal Government Act](#).

A decision on an application for subdivision may be appealed by the applicant, by a Government department (if that department is required to be circulated on the application) or by the School Authority (with respect to matters related to municipal reserve or school reserve lands).

Appeals must be made by filing a notice of appeal within **14 days** of receipt of the decision with either the local Subdivision and Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears subdivision appeals where there is a provincial interest. Otherwise, the appeals are heard by the local SDAB.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- within Alberta’s "Green Area"
- ‘adjacent’ to or contains a body of water
 - adjacent means contiguous or would be contiguous if not for a railway, road, utility right of way or reserve land
- adjacent to or contains (either partially or wholly) land identified on the Listing of Historic Resources or public land set aside for use as historic resource
- the subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- the subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
- within the following distances:
 - 1600 metres of a provincial highway
 - 450 metres of a hazardous waste management facility
 - 450 metres of the working area of an operating landfill
 - 300 metres of the disposal area of any landfill
 - 300 metres of a wastewater treatment plant
 - 300 metres of the working area of a non-hazardous waste storage site

Some of the distances may be varied in writing by a provincial government department, in which case the SDAB will hear the appeal.

Submitting an Appeal – Development Authority Decisions

Appeal of development authority decisions are covered by [Sections 684 to 687 of the Municipal Government Act](#).

A decision on an application for development may be appealed by the person applying for the permit or by any person affected by an order, decision or development permit made or issued by a development authority.

An order issued under a decision of Enforcement Services, being a Stop Order or Compliance Order, may be appealed by the person affected by the order.

Appeals must be made by filing a notice of appeal within **21 Days** after the date on which the written decision is given with either the local Development Appeal Board or the Land and Property Rights Tribunal. Which board is the appropriate board to hear the appeal will depend on certain factors with respect to the land involved. The Land and Property Rights Tribunal hears development appeals where there is a provincial interest. Otherwise, the appeals are heard by the local Subdivision and Development Appeal Board.

Notice of appeal should be filed with the Land and Property Rights Tribunal when the subject property is:

- The subject of a license, permit, approval or other authorization granted by the Natural Resources Conservation Board, Energy Resources Conservation Board, Alberta Energy Regulator, Alberta Energy and Utilities Board or Alberta Utilities Commission
- The subject of a license, permit, approval or other authorization granted by the Minister of Environment and Protected Areas
